How's your bar exam preparation going?

emoji

I... I'm currently studying family law.

I was taking my time with it before, but these days I suddenly realized I'll be too late if I don't speed up.

There's so much solicitor-related stuff, it's crazy.

Help me!

I haven't even started the solicitor part yet.

Help me!

I haven't even started the solicitor part yet.

I'm planning to get ready for the barrister exam at the end of May first.

And I haven't started doing the Emond questions either.

I guess I'll have to work overtime and push hard in the remaining two weeks...

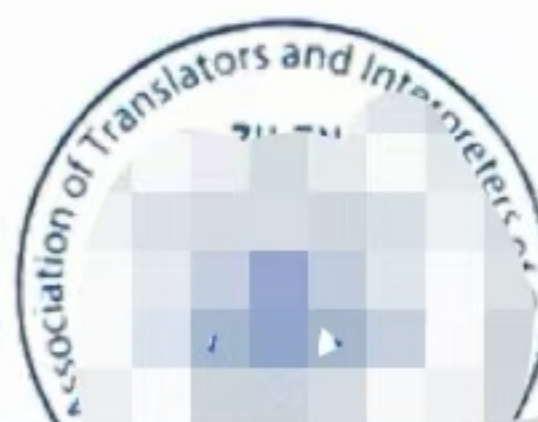

Can you remember what you've read?

I feel like everything just slips right off my empty brain.

I can't remember anything,

and I don't even know what I've read after finishing.
